

Announcement Film Sound Training Recruitment

Due to the important of sound and the lack of soundmen in Cambodian film industry, **Cambodia Film Commission** will organize film sound training in September, 2019. This training will elevate Cambodian film crew knowledge on some important basic information of sound on set, sound editing and mixing as well as the maintenance of sound equipment/devices.

This training will be divided into three different courses coached **by Mr. Nicolas Volte**, an experienced sound engineer working in many major film projects including in Cambodia.

- Course 1 “Sound on Set” from 20th to 24th September, 2019
- Course 2 “Sound Editing” from 30th September to 04th October, 2019
- Course 3 “Sound Mixing” from 7th to 11th October, 2019

This training is organized by **Cambodia Film Commission**; supported from **Ministry of Culture and Fine Arts** and financed by **Agence Française du Développement (AFD)**.

Recruitment criteria

- Film industry lover and film career oriented
- Being working in the film industry or film crew
- Being able to join training in mentioned period
- Experience in sound career is much appreciated
- FREE of charge
